

## ORANGE VIBRATOR MOTOR COMPANY

**Two  
great  
products  
under one roof**

Orange Vibrator Motor Company  
is the official distributor for Rosta and Italtvibras.

### VIBRATOR MOTORS

Italtvibras produces the widest range of electric vibrators with the highest specification levels, for various types of industries and applications.

### SUSPENSION UNITS

Rosta multipurpose rubber suspension elements are designed for damping, tensioning, spring and bearing functions for use on transmission systems and vibrating equipment including screens and feeders.
